Please remember it's very useful if you can bring with you any drawings of intended projects

visitors are always welcome at our showrooms and we are easy to find:-

We are situated about 4 miles from Birmingham Airport on the south side of Birmingham and minutes from the NEC and M42 motorway.

If using the M42 exit at junction 6 onto the A45 towards Birmingham.

Follow the A45 until you reach the first set of **overhead** (Gantry) traffic lights.It's as you enter the built up area and turn right into Sheaf Lane,it's signposted Garretts Green.

Follow the road to the first traffic island and proceed straight ahead into Sheldon Heath Road.Proceed to the next traffic island and turn right into Garretts Green Lane.You will see a Pub on your right called the "Chestnut Tree"

About 1 mile on right turn into Granby Avenue (the entrance to a large Industrial Estate)Turn second left into Bannerley Road and follow the road as it curves to the left.We are situated on the right and our Showrooms will be visible.

If you get lost, phone us and we will guide you in.

If you click on Streetmap you can print out a simple map.You can scroll down the map to the A45 and print out the complete route

If you are using SAT-NAV you may find that instead of Garretts Green it shows Kitts Green.Its the same thing so don't worry you are still heading in the right direction.
